Subject: FREE Online Course SEMS G606 - (Limited Time Only)

Take the SEMS G606 Online Course for FREE!

(LIMITED TIME ONLY)

The California Governor's Office of Emergency Services launched an online training course - Standardized Emergency Management System Introduction (SEMS G606)

For a limited time the SEMS Introductory (SEMS G606) online course will be offered for free before getting converted into a paid course. SEMS G606 is a required course for Type III EOC Position Credentialing Standards and Emergency Management Career Credentialing.

The course meets the requirements of the SEMS Introductory CCR Title 19 § 2446 and

SEMS G606 course online - Standardized Emergency Management System Introduction

§2428. Training for Local governments, operational areas, and state agencies shall document SEMS training provided to its emergency response personnel pursuant to.

This course provides a comprehensive discussion of the components of SEMS and how SEMS is used in California. Content includes mutual aid, multi-agency coordination, the operational area concept, and how the five levels of government communicate, interact, and share resources.

- **Price:** $0.00
- **Training Time:** 1 Hour 0 Mins
- **Subjects:** Emergency Management
- **Available Languages:** English (US)

Register:

1. To access the training visit CSTI.ORG

2. Register in the Learning Management System (LMS) if you have not done so already by clicking the large green Register button in the center of the page and following the on-screen registration instructions.

3. Log in for the first time

Once logged in:

1. Click the large yellow “Browse Training” button in the center of the page.

2. On the left side of the “Browse for Training” window, you can filter the courses by selecting the small stack of books icon “Curriculum”.

3. On that page, select the “Standardized Emergency Management System Introduction (SEMS G606) Online Course".

The curriculum is in two sections, the online course and the exam. The online course must be completed prior to taking the exam.

Upon course completion, a course certificate is available for print by visiting:

1. Home/Universal Profile

2. Selecting Transcript

3. Click the “Active” button, and select “Completed”

4. To the right of the completed course, click the drop-down and select “View Certificate”.

If you have not signed up please visit CSTI.ORG to enroll today.

California Specialized Training Institutes

Learning Management System

The Learning Management System allows CSTI to train more people than ever before. With the latest technology, students can now take select courses online, register and pay online, access historical transcripts and print certificates.

California’s public, private, volunteer, and tribal emergency services personnel serve their communities with professionalism and dedication. The potential for communities to require disaster assistance has significantly increased. Cal OES’ EOC Position Credentialing Program promotes an enhanced level of readiness and response for day-to-day emergencies and catastrophic disasters by ensuring qualified and competent staffing for Emergency Operations Centers.
