LET YOUR VOICE BE HEARD

The City of Walnut Creek is beginning to develop the FY 2025-2030 Consolidated Plan for the use of federal funds for housing and general services.

Over the five-year period, \$60 million in funding could be spent for:

- providing first-time homebuyer assistance
- rehabilitating existing housing for lower income and senior households
- providing a wide variety of services for lower income families and individuals, including unhoused people
- ...and much more
